INDEX TO PHOTOGRAPHS

(Page 2)

AK-201-16	Interior room detail, northeast corner of Building 1, looking southeast
AK-201-17	Bathroom detail, Building 1, looking northwest
AK-201-18	Corridor electrical and vent detail, looking south exiting Building 1
AK-201-19	Southwest room detail, Building 1, looking southwest
AK-201-20	Building 2 and corridors, looking southeast
AK-201-21	Building 2, looking northeast
AK-201-22	Overall room, Building 2, looking southwest
AK-201-23	Overall room, Building 2, looking south
AK-201-24	Fire extinguishing tanks detail, Building 2, looking south
AK-201-25	Generator detail, Building 2, looking southwest
AK-201-26	Generator battery and wall detail, Building 2, looking south
AK-201-27	Wire catwalk detail, Building 2, looking east
AK-201-28	Generator and venting fan detail, Building 2, looking southeast
AK-201-29	Tank detail, Building 2, looking southwest
AK-201-30	Wall circuit box and tool rack detail, Building 2, looking north
AK-201-31	Building 3, elevation, looking south
AK-201-32	Building 3, oblique with interior vent room detail, looking southwest
AK-201-33	Electrical detail, Building 3, looking southwest
AK-201-34	Master electrical fuse panel, Building 3, looking north
AK-201-35	Back of master electrical fuse panel and generator, Building 3, looking northwest
AK-201-36	Building 4, looking northeast
AK-201-37	Building 4 and corridor, looking south
AK-201-38	Building 4, elevation, looking north
AK-201-39	Building 4, overall, looking south
AK-201-40	Buildings 5 and 3, looking southwest
